

CAMPING INFORMATION

Spectators

Camping will be allowed on site for spectators starting Thursday May 18th

Campers can be brought in starting Wednesday May 17th

Spectator's that will be camping will be required to purchase armbands for both sessions when they bring campers in. Gate fee per person for the event is \$20 per session (\$40 dollars total per person) – NO EXCEPTIONS

Spectator camping is in a designated area to leave room for haulers coming in. The spectator camping area is a short walk from where we will be parking haulers. Someone will be onsite to get you parked. If you plan to camp in a group, please have all campers onsite so that we can park you together. If you don't come as group, we cannot guarantee that you will be parked together.

There are no hookups of any kind. All camping is primitive. Bring generators if you need power.

No open fires of any kind. Grills, smokers, and frying equipment are permitted.

There are gates into the grounds that will be locked at 10 p.m. on the 17th. Someone will be onsite to unlock them if need be. Call (217)273-0591 for assistance after hours.

Pullers and Crew

Camping will be allowed on site for pullers starting Wednesday May 17th

Campers can be brought in starting Wednesday May 17th

Pullers with campers and haulers that will be camping will be required to purchase armbands for both sessions when they bring campers/haulers in. Gate fee per person for the event is \$20 per session (\$40 dollars total per person) – NO EXCEPTIONS

If you are a puller and are bringing a camper, we will try our best to get your camper parked close to your hauler. This will be much easier to do the earlier you bring both. Please message The Pullers Championship Facebook page if this is your intention so we can plan accordingly.

There are no hookups of any kind. All camping is primitive. Bring generators if you need power.

No open fires of any kind. Grills, smokers, and frying/cooking equipment are permitted.
